

United Nations Environment Program (UNEP)

Topic: "Combating Plastic Pollution to Safeguard Global Ecosystems."

Sponsors: Commonwealth of Australia, Islamic Republic of Pakistan, Kingdom of Morocco, Republic of Madagascar, Republic of Senegal, and Republic of South Africa.

The United Nations Environment Program,

Alarmed by the amount of plastic going into the ocean,

Emphasizing the importance of reducing production by 20%,

Aware of how plastic can only be broken down into smaller fragments,

1. *Encourages* member states to provide financial and technological assistance for plastic pollution clean-up projects;
2. *Calls upon* international organizations and member states for the funding of robots to clean the ocean;
3. *Takes note of* a fee for different plastic materials.
